Principal’s Message:

Each year, the Carrigan staff, in conjunction with our PTA, selects a member of the Carrigan community to be our ‘Unsung Hero’. As we reflect on this incredibly challenging year, there are so many people who have stepped up in heroic ways. If it were not for the hard work of our teachers, office staff, paraprofessionals, building maintenance staff and cafeteria workers – this year simply could not have happened.

From the onset of COVID last Spring, the Carrigan nursing staff has offered unwavering support and countless hours to assist the entire Carrigan community. Congratulations to Carrigan’s Unsung Heroes, School Nurses Marilyn Nairn and Shannon Vitello along with Medical Technician Laura Agudelo. These fantastic women have been available to staff, students, and families to answer questions, assist with quarantines, and keep strong communication lines open to relay information and support whenever needed – any day and just about any hour.

Thank you for everything you do for our entire Carrigan family. Congratulations on a well-deserved recognition!
