

## Bug-O-Nay-Ge-Shig Quarantine Protocol

SITUATION	PROTOCOL
If you have are a close contact* of a classmate, someone at school, or in the community at large:	<ul style="list-style-type: none"> <li>● <b>7 Day Quarantine</b></li> <li>● Participate in DL</li> <li>● Return with negative test and symptom free for 24 hours</li> </ul>
If you have a positive COVID case:	<ul style="list-style-type: none"> <li>● <b>14 Day Quarantine</b></li> <li>● Participate in DL</li> <li>● Return after having been symptom free for 24 hours, and no additional positive cases in the household</li> </ul>
If you have a positive case in your household:	<ul style="list-style-type: none"> <li>● <b>14 Day Quarantine</b></li> <li>● Participate in DL</li> <li>● Return with negative test, symptom free for 24 hours, and no additional positive cases in the household</li> </ul>
If you have multiple positive cases in your household:	<ul style="list-style-type: none"> <li>● <b>14 Day Quarantine starts after the last person has completed their isolation</b></li> <li>● This may mean up to a 24 day quarantine</li> <li>● Participate in DL</li> <li>● Return with negative test and symptom free for 24 hours</li> </ul>

\*Close Contact means:

1. Being within 6 feet of a confirmed positive case for 15 minutes or more over a 24 hour period
2. Being a classmate of a confirmed positive case in a K-6 or Niigaane classroom
3. Being a classmate of a confirmed positive case for 2 or more periods in the 7-12 classrooms

While in quarantine, individuals are expected to follow CDC recommendations for maintaining effective quarantine practices.

School Staff will follow LLBO Policy & Protocol for quarantine decisions. Additionally, staff who are a close contact at school or who have a positive case in their household will test daily at the school for 7 days, 14 days, or more depending upon the circumstances. Staff who fall into this category will be required to wear a mask during this period, so any staff who has a medical exemption to the mask mandate will be required to quarantine. Staff exposure will be considered on a case by case basis, and School Administration reserves the right to apply unique quarantine parameters based on the scenario. Staff claiming a medical exemption need to provide documentation from a primary care physician establishing the cause for medical exemption, as well as any other special considerations that may apply regarding the staff member's health and risks associated with COVID-19.
